FLOAT OUR BOATS! Support our Crowdfunder campaign

**The Pirate Castle's been helping our communities FLOAT
(Fulfilling Lives: Opportunity, Activities & Training) since 1966!**

Despite coming back stronger after the pandemic, as we near our 60th anniversary year costs to run our amazing community boating charity & raft of canal-based projects continue to surge, making it harder to keep The Pirate Castle afloat & navigate these stormy financial times.

WE NEED YOUR HELP to FLOAT OUR BOATS!

If you can, please [support our Crowdfunder campaign](#). [1]

Every doubloon and piece of eight matters & will make a massive difference!

You can also help by using our venue, canal boating & paddlesport services & spreading the word about our fundraising campaign across your family, friends & networks.

Together we'll make this happen!

Huge Piratical Thanks!
